2010 CLUB COMPETITION IS COMING!

It's that time of year again, time for our annual Club Competition. Last year's competition was a truly amazing day, with more than half the club competing and all going home with a huge smile on their face, and a medal around their neck. This year's competition will be held on Sunday August 22nd and is open to all Dynamite gymnasts age 5 and above (Gymstart, Teens, WAG, MAG, Trampoline, Tumbling and Junior squads).

The highlight of the day for our kids is of course their medal presentations; every gymnast who participates will win a medal to congratulate their efforts as well as gaining confidence as they perform their gymnastics skills for family and friends.

There will be food available on the day and we are increasing our menu to include steak burgers and chicken kebabs as well as the ever popular sausage sizzle.

Entry fee is \$12 per gymnast and all entries are due by Saturday August 7th 2010; see the attached flyer for details and an entry form.

BLOCK DATES – Block 4 starts Monday August 2nd, a quick reminder to collect your invoices from the front counter. Block 4 will encompass the EKKA Show week, the gym will remain open for all normal classes during EKKA week and we have some exciting EKKA Themed circuits planned for our little ones.

This block will also include the September school holidays and all classes will run as normal usual with a bit of extra school holiday fun added in! We will continue to offer our special deal for families over the school holidays where siblings can join in their brothers and sisters classes for a casual fee of \$10, this has been very popular with our Kindergym kids so it will also be available to any other class.

A reminder that Vacation Care will run throughout the school holidays on Tuesdays and Thursday from 8:30AM-5:00PM at a cost of \$35 per day. The kids who have been involved in vacation care have absolutely loved their time in the gym!

We are excited to see the great progress the kids have made and are proud to share with you the wonderful achievements of your children.

NEW HEIGHTS FOR OUR WAG LEVELS PROGRAM

The last two blocks have seen the successful introduction of our new Advanced WAG program as a next step up from our WAG Levels class, we have been pleased to see that the girls are successfully learning many new and more challenging skills. We are now turning our attention to all our WAG classes as we introduce a brand new testing program.

While class times and costs will remain the same, the class content will become more exciting and challenging. Under the new program the girls will get to progress faster and learn more “real” gymnastics in the same safe and fun class environment. And something the kids will be very pleased to learn is that we will be introducing more trampoline work along with their other apparatus (bars, beam, vault and floor). We hope you all thoroughly enjoy your classes and take pride in your fantastic gymnastics.

Thank you, we are in the finals of the Quest business achievers awards!
